BLUE EYED BOY.

WHAT THE DOCTOR KNOWS.

KIDNEYS MUST BE RIGHT TO INSURE HEALTH.

Few people realize to what extent their health depends upon the condition of their kidneys.

The physician in nearly all cases of serious illness, makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot readily be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious results are sure to follow. According to health statistics, Bright's Disease, which is really an advanced form of kidney trouble, caused nearly ten thousand deaths in one year in the State of New York alone. Therefore, it is particularly necessary to pay more attention to the health of these important organs.

An ideal herbal compound that has had remarkable success as a kidney remedy is Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

The mild and healing influence of this preparation, in most cases, is soon realized, according to sworn statements and verified testimony of those who have used the remedy.

When your kidneys require attention, get Swamp-Root at once from any pharmacy. It is sold by every druggist in bottles of two sizes—50c and \$1.00.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Louisa weekly Big Sandy News.

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years'

Standing, Relieved by Cardui.

Mr. Alry, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I did not take but about six bottles and I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it.

Do you, lady reader, suffer from any of the ailments due to womanly troubles, such as headache, backache, sideache, sleeplessness, and that everlasting tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for Special Cardui on Lay's \$4 page book, name "Treatment for Women," in plain wrapper, N.C. 154

To Confiscate Vehicles Hauling Booze Into State.

Charleston, April 20.—Vehicles used for conveying intoxicants into West Virginia from state in which saloon licenses are granted, will be confiscated from this time on by the department of prohibition. This policy was adopted after officers along the line of Putnam and Kanawha counties arrested three alleged bootleggers with a large supply of whiskey drawn by two mules. The team and wagon as well as the liquor, were confiscated.

Fred O. Blue, the prohibition commissioner, announced that automobiles, wagons, buggies and teams, will be confiscated when in use by offenders against the prohibition law.

2,577 Acres of Oil Leases Are Involved in Deal.

One hundred and five thousand dollars was the consideration in a deed transferring 2,577 acres of oil and gas leases in Cabell, Boone and Kanawha counties, from the Standard Fuel company of West Virginia, to George O. Chilton, of Charleston, filed in the office of County Clerk R. S. Douthett yesterday.

Mr. Chilton also filed a deed transferring the same property from himself to the Empire Petroleum company, with headquarters in Charleston. It is understood the Empire corporation will put through some extensive developments in the territory, expending large sums of money in Cabell-co as well as Kanawha and Boone counties.

The Cabell county leases include fourteen tracts of Grant district, with a total acreage of 1,412. The land is scattered in various parts of the district ranging in size of tracts from twenty-five to nearly three hundred acres.

According to the deed \$55,000 was paid in cash and the remainder secured by vendor's lien on the property involved.—Herald-Dispatch.

IN MEMORY.

It has pleased the Almighty in His infinite wisdom to remove from our midst to the celestial province our esteemed friend and relative, Mrs. Herman Holbrook. She was born Feb. 1, 1851, died March 31, 1916 of the dreadful and fatal disease tuberculosis. She leaves a character untarnished and a reputation beyond reproach. We have sustained the loss of a woman whose kindness was a pleasure to enjoy. She leaves a husband and a little son and a host of relatives and friends to mourn her loss. But truly she has gone out on the long journey across the silver sea whose placid waves have never borne the image of a returning soul.

We offer to the bereaved family and kind sister who most willingly rendered her kind help to the deceased and all the mourning friends over whom sorrow has hung her sable mantle, our heartfelt condolence and that infinite goodness may bring speedy relief to their burdened hearts and inspire them with the consolation that hope in the future and faith in God given even in the shadow of the tomb.
